Sea Change SMC Open House

Sea levels are rising and at an accelerating rate. In San Mateo County alone, rising sea levels put \$24 billion in assets at risk. Join San Mateo County's Office of Sustainability for a family-friendly Sea Level Rise Open House to learn about the County's efforts to evaluate what is at risk from sea level rise, what we can do about the issue, and tell us about what flooding and sea level rise means for you.

Registration closes January 22th.

Saturday, Jan 30 | 10am-1pm | Genentech, 1531 Grandview Dr, South San Francisco
