Funds raised from the event go towards the **free programs and services** the American Cancer Society offers cancer patients and their families; such as rides to treatment, support groups, one on one peer counseling, plus so much more.

This event is also an opportunity for us to honor survivors and the journey they have taken, remember those we have lost to cancer and to fight back against this terrible disease. Join the walk on **August 12-13th** at **Burgess Park**.
