Peninsula Clean Energy Offering
Volunteer Trainings

The **City of MenloPark** has joined **Peninsula Clean Energy (PCE)** to offer businesses and residents clean renewable electricity starting in October.

PCE is planning two volunteer workshops to train local residents to conduct outreach on behalf of PCE, with a focus on targeting commercial customers. The workshop dates and locations are as follows:

- **Tuesday, August 23rd** at 6 pm at the Burlingame library

At the end of the workshop, volunteers will be asked to sign-up to walk key business corridors in their city and talk to local business owners about PCE. This is a great opportunity for both environmental advocates as well as individuals looking for volunteer hours. No prior knowledge of PCE or energy is necessary to attend; it's open to anyone throughout San Mateo County. Interested individuals, please **RSVP** at <http://www.peninsulacleanenergy.com/> or email KPringle@smcgov.org.
